

THE GHOST TRAIL

The Ghost Trail is the path where the souls of the dead Native American Indians go for their last journey to the other side...

It's also the name of a Scandinavian quartet, who digs into the roots of American original music. Influenced by the blues, country and rock, they combine all the elements into a powerful, dynamic and melodic style.

With a mix of original songs and covers, they explore different musical styles and are not afraid of breaking into new territory in their search for the ultimate expression. They feel at home with the blues, they can chicken-pick all night long... and they will rock your house till midnight, when the cows go home... and then some.

The Ghost Trail will get the job done... and turn the stage into ashes.

Trond Lorentz Guitars/Vocal
Ponta Ottenfelt, Drums
Jon Kvarnäs, Bass
Anders Ingvar, Guitar/Harmonica
